O. S. D. E. A.

Petitioners in these writ petitions are

staff working in aided private educational institutions. They are before this court interalia seeking directions to the respondents to accord certain service benefits including monetary benefits.

In my view, these reliefs cannot be granted by this court in view of the observations made by a Division Bench of this court in W.A.Nos.1833 to 1836/1995 disposed off on 30.5.1998.

This court while considering the issue whether the staff (Teaching and non-teaching) working in educational institutions run by private management can maintain writ petitions to claim financial aid from the State Govt. in the absence of Master and Servant relation and other incidental issues, was pleased to observe that the writ petitions filed by teaching and non-teaching staff of private educational institutions are not maintainable before this Court.

Respectfully following the observations made in the aforesaid decision, these petitions are

disposed off as not maintainable before this court for the reliefs sought therein. However, liberty is reserved to the petitioner to approach the proper forum as suggested by this court in the aforesaid decision. Ordered accordingly.
